Wisconsin	55,652
Wyoming	5,553

Note: For full CAP analysis, see David Cutler and Emily Gee, “Coverage Losses by Congressional District Under the House ACA Repeal Bill,” Center for American Progress, March 17, 2017, available at <https://www.americanprogress.org/issues/healthcare/news/2017/03/17/428601/coverage-losses-congressional-district-house-aca-repeal-bill/>.

ASPE. (2016). Benefits of Medicaid Expansion for Behavioral Health. <https://aspe.hhs.gov/system/files/pdf/190506/BHMedicaidExpansion.pdf>. We applied 24.9% as rate of mental health or substance use disorders (per ASPE) to state estimates of coverage losses supplied by Center for American Progress analysis.
