"As for me , you must know I shouldn't precisely have chosen madness if there had been any choice. What consoles me is that I am beginning to consider madness as an illness like any other, and I accept it as such".

What is NAMI Western Massachusetts (NAMI-WM)?

The National Alliance on Mental Illness (NAMI) is the nation's largest grassroots mental health organization dedicated to building better lives for individuals living with mental health conditions and their loved ones. NAMI Western Massachusetts is one of 17 affiliates in Massachusetts. We serve Hampden, Hampshire and Franklin counties.

What does NAMI-WM do?

We are a non-profit organization along with our dedicated volunteer members and leaders that work tirelessly to raise awareness and provide essential education, advocacy and support group programs for people in our Western Massachusetts community living with mental illness and their loved ones. All programs are offered at no cost to the public. We also have a volunteer program where members work in our office, participate in special events and other activities. Our office is open Monday - Friday from 8:30 a.m. - 3:00 p.m. and has a lending library and other resources.

Who can join NAMI-WM as a member?

Anyone can join NAMI as a member and supporter. As 1 in 5 people live with a mental health condition, we welcome everyone to join and participate in our organization. Peers, consumers, family members, professionals and community members are all current members.
